What you would not want done to yourself,
Don't do to others. = Cause no harm.
This is the universal civilization standard.
Do Good Be Kind gives most Happiness.

The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly caused hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Bachsmier Gusta in 1900 gave occupation as teacher

Backsic, Henry Henry escaped from torture and prison in Poland. Because he had learned Esperanto International Language he was able to stay with speakers of this language and eventually get aslymum here. He was an Electrical engineer by trade and was soon able to earn a living and build a home here in Warren. As his family grew he needed to expand his house so once a week he would jack up the roof one brick higher and he would add a layer of bricks. Soon he had a bigger house without having to get any permits and the city was none the wiser. He drilled his own water well and saved on the water bill. What was important about him was he helped his neighbors when they needed help. He practiced the golden rule.

Bates Ted Veteran U S Navy **served inWorld War Two** became a mayor of Warren The Ted Bates park was named after him. Ted was a volunteer fireman in Warren. He married Eleanor. He later served as Treasurer for the City of Warren in 1961. He served as Warren mayor April 1967 - April 1969, April 1969 - Nov 7 1971, Nov 8 1971 – Nov 12, 1973-19 81 This made him the longest serving mayor in Warren history. He died February 23, 2011 and was buried in Cadillac Memorial Cemetery. Gerald Neil in his Diary of a Politician stated that Ted did a good job as mayor. He wrote “Ted Bates did a good job for Warren, and finally realized all of Art Miller's dreams for a complete community that can handle its own affairs.” (Neil DP p 54) It might be noted that Ted was for quite sometime Art Miller's

executive secretary, the man who took care of the mountain of problems that came in to the Warren supervisors office. He was Art Miller's indispensable aide. He served as Warren City Treasurer for three terms. Following that he was elected Mayor and was reelected six more times. Gerald Neil also stated "Ted Bates was always proud to be Mayor of Warren. Warren should be proud to have had him as Mayor." (Neil DP 3) Ted had to overcome many problems due to the city's growth and due to state and federal reluctance to provide funding they owed Warren. Citizens of Warren turned down Bates conservative request for needed improvements. So he had to cut back and live within the budget he had. ((Neil DP 50) From others I have talked to they all feel Ted Bates was a good mayor and did his best to do the right things for our citizens.

Beebe, John L who was a native of Albany, New York. He came to the Warren area just before 1848 making his family some the earliest settlers. The move from Illinois was made perhaps because of his wife's father Charles Davy (who was a native of Ingham, Norfolk England buried in Warren Union Cemetery) who had moved to Detroit in 1835 then settled in Warren in 1843. John was an inspector of township schools in 1848. In the 1850 census he was listed as James Beebe age 35 with wife Esther 31 b England, Lyllia 6 b Ill Sarah E 4 b Ill Mary P 2 b MI. Warren Supervisor 1851-53 and in 1858. also a school inspector in 1858. About 1843 he married Esther Davy of England daughter of Charles Davy clergyman. They raised eight children: Theresa became wife of Ed Tharrett of Mt Clemens, Lillian became

wife of Archebald Lyons of Warren, Lorenzo Van Dyke, Henrietta and others died in infancy most likely buried in Warren Union Cemetery without markers. His son Charles Beebe Charles est m1895 became a sailor, preacher, was the First Warren Village Clerk, later the village undertaker. By 1860 Beebee John L now age 45 was a prosperous Tinner (see family 856 p 939 paper page 109) Esther 40 b Norfolk England Leydia D 16 b Ill Sarah E 13 b Ill Mary T ? 11 b MI Lorenzo D 6 b MI Lilly 10/12 b MI John became a man of means. He Started or invested in the plank road and ran the toll gate on the first planked area of Mound. He operated a store and grist mill. His fame increased and the heart of Warren became known as Beebe's corners. He was also a Tinsmith and made many common items the local families needed including tubs, pails, lamps and eaves troughs. He became the township supervisor. John (James)

Beebe was on map as Beebe L map 1859 sec 4 John L Beebe 54 in 1870 gave his occupation as TIN SMITH b NY TIN SMITH (see family 305 film page 135 paper page 41) Esther D 50 England, Mary T 21 b MI, Lorenzo V 16 b MI, Lily 10 b MI, Charles S 7 b MI also living there was Capels Thomas 24 b MI who worked in wagon shop In 1880 Beebe John L age 64 gave his occupation as a Tin Smith living with son Charles A age 16 a sailor. John's wife Esther D was 60. Interesting note. The Census Enumerator George B Walker gave the location as Beebes corners p49-589 Census 1880 Warren Township John L Beebe died age 67 at his home in Warren April 4 1883. He had been a resident for over 30 years. A service was held at the M E Church on Friday. Alt-

hough the weather was terrible the building was filled to capacity with many forced to stand. The sun came out for the short trip to the cemetery. Remarks were made by Rev C C Foote of Detroit, J M Kelghtly of Disco, L H Dean and J Andrews of Warren. A reporter noted “Our friend will long be remembered and greatly missed by all in this place.” He is buried most likely in Warren Union Cemetery next to his wife who is buried there along with other family members many with unmarked graves. BENSON, IRA F and two brothers fought in **Civil War** Ira buried Warren Union Cemetery. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was

found wrong with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen. We veterans want these memorials replaced.

Bieda Joseph, Warren Historical Commission 2008-2012

Bieda, Joseph USAF SSGT 1952-1956 Was Chairperson Warren Historical Commission 2008. He continued to serve on the Warren Historical Commission in 2009, 2010. He was an active and working member of the Warren Historical Society. He has helped with many historical projects. He was a military veteran. Awaiting Autobiography

Bieda, Steven M State of Michigan Senator District 9 Warren

Bieda, Steven M. In 2002, I was elected as Michigan's 25th District State Representative, where I got right to work for the people of Macomb County. My public service has continued with my election to the state Senate in 2010, and again in 2014, where I represent the 9th District. In my time with the legislature, I have sponsored over 45 Public Acts – on subjects ranging from the state's tax structure, consumer protection, economic

development and judicial reform. I authored, and fought for, the Legal Defense Fund Reporting Act, which is the only major piece of ethics reform to reach the governor's desk in more than a decade. I have supported comprehensive revisions to Michigan's Bottle Deposit Law to stop the flow of fraudulent containers from out-of-state, which saves Michigan millions of dollars. Being a driving force behind the replacement of the outdated Single Business Tax, I replaced it with legislation that provided tax credits and incentives for businesses to grow and invest in Michigan, while maintaining the flow of needed revenue. I have also been appointed to the financial management review teams for the cities of Ecorse and River Rouge. In my close workings with members of the legislative and executive branches, my record reflects the consistent pursuit of a cleaner government, a

cleaner environment and a stronger economy for the state of Michigan.

In this current legislative session, I have continued my hard work in Lansing. I have had a number of bills signed into law, the most recent of which concerns the posting of pornographic pictures on the internet without the consent of the person who was photographed. Senate Bill 508, which is now Public Act 89 of 2016, is commonly referred to as the "Revenge Porn" law. In August 2015, I was able to bring a piece of Michigan history back to the Capitol lawns. Two cannons had been located on the east Capitol lawns – as a reminder of Michigan's role in the Civil War, for nearly 60 years before they were melted down during World War II, as part of the war effort. Working with Senator Mike Kowall, I was able to bring two historical replicas

to take their rightful place on the Capitol lawn. I have also introduced a number of bills aimed at protecting animals and our great state's environment during this session as well. Prior to my service in the state legislature, I worked as a director of labor relations in Warren and a senior policy analyst for Michigan's House of Representatives. I also enjoy the distinction of being the only living Michiganian to design a coin for the U.S. Mint: I designed the reverse side of the U.S. Olympic Half Dollar that was issued in 1992. I was also a chairman for the Thomas Edison Silver Dollar Project, which commemorated the 125th anniversary of the invention of the light bulb. Additionally I have had the honor of acting as a fundraiser and grant writer for the Michigan Labor Legacy Project, that yielded the largest monument commemorating the U.S. labor movement. This monu-

ment, named “Transcending,” can be seen on the Detroit riverfront in Hart Plaza. Raised in Warren, I am a lifelong resident of Macomb County. After attending Cousino High School, I went on to receive my bachelor’s and master’s degrees from Wayne State University. Later, I earned my juris doctor from University of Detroit Mercy School of Law as well as a Master of Tax Law degree from Wayne State University Law School.

He is now a Judge Steven M. Bieda 37th District Court Warren

BLONDEEL, KAMIEL Son of Charles and Elodie Blondeel, of Warren, was born in Belgium, April 21 1898. He entered the

service at Camp Custer November 2, 1917. Killed in action in France, October 17, 1918, while serving with Company H, Seventh U.S. Infantry. Buried in Plot G, Row 25, Grave 18, Meuse-Argonne American Cemetery**,** Romagne, France. A memorial with his name on it and 29 other soldiers was stolen by the Warren Hysterical grave robbing gang in 2011 without just cause. They have stolen at least five memorials including a memorial to all veterans and those who died in attacks on our country. (Such as Pearl Harbor and 9-11) More memorials are now missing. They do not own the memorials or the cemetery. This was done in secret without a vote of the membership or a public hearing. Nothing was found wrong with these memorials at a public meeting afterwords. This shows disrespect to our soldiers and those who died including 400 policemen and firemen.

We veterans want these memorials replaced. Need More Information

Boland Jack Very dynamic person and speaker and pastor at the Church of Today on Eleven Mile Road in Warren. He was an alcoholic bum and changed his life to become a pastor of a Unity church in Detroit and to grow in knowledge and help others grow in knowledge and eventually to build the very large Church of Today. He had a radio program and reached out to thousands with positive inspiration. He attended his own funeral memorial service still barely alive in a wheelchair to a packed crowd.

Boland, Jeffrey David Center Line High School 1985

Bolar Claude Best known as the manager-owner of K-9 Specialties located at 31936 Mound Rd Warren, MI. Located in a very old brick building just north of old bank of Commerce. This building includes the building known as the Brick Yard which now includes the area three buildings set, This is just North of the Bank near the NE corner of Davy (Chicago Road) and Mound. It was bought by Claude Bolar who has operated his business K-9 Specialties there since 1964. Claude born c19xx (xx for privacy) went to Atwood grade school on N ave in Mt Clemens. Remembers priming the pump to get water. Kids were appointed to build the fire in the stove. They had separate outhouses. His farm was near Hall Road. He ran Wrigley Super Market for 18 years. He then worked for 18 years at the Chevrolet Gear and axle factory. He sold dog food evenings from store on Mound at 696 where BP is now. When 696 came in he

bought the Brickyard building. He married Elizabeth. He enjoys managing his business and working. He keeps his prices low to help people feed their animals and it is good for business. He says people come from many miles around just to buy from his store. And he had a huge selection of products. He is a very easy person to talk with, very personable and friendly. He helps his customers himself and asks his employees to do the same. When his employees are busy I have seen him go out and bring in carts. He is not afraid of work. He is one of very few business persons who have been in business 50 years.

Brawn, Adolph pastor of Redeemer Baptist church from in the early 1950s thru probably the 1980s. The Church started in 1958 name changes founded by S H Houbolt in 1944. He was a caring giving person who visited the sick, spoke at funerals and helped many people. He was a good leader and with his guidance the church grew. When he retired he went to California and started a new church. He was just the kind of person our world needs more of. He taught that people should treat others as they would want to be treated themselves.

Brockman Francis J Rev was assigned to St Clement church in 1885 through probably 1886 At that time the parish extended from Woodward to Jefferson and from Eight Mile to Fourteen Mile. But the closest Catholic church was actually Ascension at Gratiot and six Mile Road. The record keepers one of which may have been him did not particularly strive to keep records in

a clear readable form. When I transcribed the St Clement records many years ago it was not uncommon to have to spend many minutes trying to decipher names. They were particularly negligent in making the first letter of the name readable.

Buechel, John F had moved his store from Kunrod's corners to a location just south of the church. He sold clothing, groceries, candy, cigars, shoes, combs and many common articles needed by the local farmers. See the many pictures in the folder "store". Buechel was noted for his fine penmanship (unlike the pastors of the church) and he also served as township clerk for years.

Buechel, John was elected to Warren Township Clerk from 1901, 2, 3, 5 through 1921, 1933, 34, 35. Per Gerald Neil he had a total of 23 years in that office. He may have run his parents store in Center Line but I have not been able to confirm this yet. Need More Information

Bunert, Gottlieb and Susan Bunert in 1849 bought the 80-acre farm now known as the Bunert-Weier Farm. They built a log cabin. The brick house was built in 1876, the barn in 1883 and

the carriage garage in 1892. They farmed the land, raised livestock and had their own sawmill. This was Warren's last working farm. On the land behind the farm was a long flat hill that long ago may have been an Indian burial site. The family also told Wesley Arnold that after the farm was subdivided some of the new neighbors complained about the farm guinea hens and chickens making noise in the morning. The neighbors wanted to shut down the farm. The Weier family patiently asked them didn't they not see the chickens running around, and hadn't they heard about the rooster going cockle doodle do in the morning when they were in school and so why did they buy property next to a working farm that had been working for over 100 years and not expect a few sounds in the morning.

Burczyk Martha Ruth researched and wrote a picture book on Warren history. I was glad to have helped her. She also did the major work on getting the Bunert School on the Historic register.

Burczyk, Martha Martha has done much historical research and managed to publish a beautiful book on Warren History. I had the honor of writing the Introduction. Martha also did 99% of the work in getting the Bunert School on the National Historical Register but did not get any of the credit from the Warren Historical Society. I notice in several articles and announcements they appeared to take the credit and ignored Martha's

work. Well Martha I know the feeling as I have been there myself. Martha's beautiful book is available from her at **mburczyk@msn.com**.
